

## **2011 St. Michael Athletic Association Family Participation and Uniform Deposit Policy**

The St. Michael Athletic Association has implemented a new **Family Participation and Uniform Deposit Policy** which is now required for each CYO sport season. Beginning with the Fall sports season, the Athletic Association will require each CYO-participating family (regardless of the number of children participating) **to work a minimum of 6 hours at a St. Michael CYO sponsored sporting event and to submit a uniform deposit.**

The deposit will be in check form and will be returned (or destroyed) provided the family has met the 6-hour work requirement **and** the child's uniform has been returned at the end of the sport season. If those two requirements are not met, the deposit will be kept and used by the Athletic Association to purchase and replace needed/missing uniforms.

### **2011 Family Participation/Uniform Deposit: \$75.00 per family**

- Mail deposit to Karen Carter: 11584 Cherokee Lane, Brecksville, OH 44141
- Make check payable to: St. Michael Athletic Association
- Deposit must be submitted before any child can receive his or her uniform
- Check will be held until the end of the sports season and returned once work hours are completed **and** the uniform has been returned.

### **Family Participation Work Hours Requirement**

- Six work hours per family must be completed by the end of the sport season.
- Available work hours for the Fall Sports Season include concession stand at St. Michael CYO football games (held every Saturday and Sunday behind the old Independence Middle School) and volleyball games and tournament (to be held at St. Michael School gym on Saturdays OR Sundays).
- CYO Fall games begin the first weekend of September and end the last weekend of October.
- Fall sports schedules will be available mid-August, and parents will be encouraged to sign-up for work hours at that time.
- More information on work sign-ups will be explained during individual team parent meetings prior to the sports season.
